

Whatcha Gonna Do?

1. ...your home or car needs to be more secure?
2. ...you're the victim of a con or scam?
3. ...you want the facts?

When...

Volunteers in Police Service is a citizens group that is dedicated to assisting your local Police Department in securing the safety of the community.

In that capacity, the Concord VIPS have developed a series of presentations addressing various aspects of personal and financial safety.

Presentations are based on informational pamphlets provided by the Concord Police Department. Each educational meeting addresses a different aspect of safety and crime prevention.

Subjects that are currently offered for presentation and discussion are:

- **Safety Tips**
- **Home Security**
- **The 'Con' Game**

Those who attend will be provided a copy of the Police Department Brochure. The points made in the brochure will be discussed, and additional safety tips offered.

Attendees will be invited to ask questions and offer additional safety suggestions.

Additional topics will be offered in the future.

To arrange a speaking date for your group, please contact the Concord Police Department Volunteer Services at 671-3184.

Volunteers are available Monday - Friday, days and evenings.
