Holbrook Elementary School Beautification

We can all agree that a beautiful school is something to be proud of. We can also agree that we clearly have some work to do at Holbrook. So lets change that.

We have not yet decided the day or days of our beautification event, but we did want to get people thinking about it.

Do you know anyone giving away free landscaping materials? Are you a carpenter? Love landscaping? Free stump removal? Have a great idea? Know of business that would donate materials or funds? Find something cool on Freecycle or Craigslist?

Lets make Holbrook a place we can all be proud to call our own.

More information to come.
