Got extra trash? Choose 3 weeks that are convenient for you, and we'll be there to help get rid of it for you!

Extra free-of-Charge Cleanup Days must be scheduled at least one week apart from each other.

All Concord homeowners with regular garbage service may call Concord Disposal Service at (925) 682-9113 to schedule THREE free-of-charge pickup. We will collect up to 12 bags (32 gallon bags) or 12 boxes of household garbage or yard debris, not weighing more than 50 pounds each. If you have branches, please make sure to tie them in a bundle and that they are no wider than 18 inches by 3 feet long.

Your Concord Disposal driver will be notified to pickup the extra items on your regular garbage day. Need to discard items right away? Just give us a call.

*PLEASE NOTE: Concord Disposal Service WILL NOT pick up Household Hazardous Waste. Concord residents can drop off their household hazardous waste at Central Contra Costa Sanitary District located at 5019 Imhoff Place, Martinez, 94553. Tip: Cutting down on junk mail

To stop the flow of unwanted junk mail, go to the Direct Marketing Association's website -- www.dmchoice.org -- and register for the mail preference service. Your name will be placed on file and removed from junk mail lists. After about three months you should see a significant decrease. To remove your name from unwanted magazines, call the magazine and ask to speak to its customer service department and have it remove you from its mailing list. When ordering from a mail-order catalog, say that you do not want your name shared or sold.
